Figure 1 displays a series of five patent certificates for the invention "A kind of water-soluble fertilizer" (一种水溶性肥料). The certificates are arranged in a row, showing the progression from the initial application to the final grant. Each certificate includes the patent number, the inventor's name, and the date of the patent. The final certificate on the right is the largest and most detailed, showing the full text of the patent and the date of the patent grant.
